## ***TIRE TRACKS    THE ELECTRONIC VERSION***

Greetings, Waynesboro—Staunton Region Members & Friends,

This issue is packed with pictures so please excuse the longer than usual download times. The quality of cars at the ODMA Meet made it difficult to pick the ones to include in our newsletter. Since those of you who get Tire Tracks electronically get an extra page, I'll show more of the cars that attended the meet. How many can you identify? As Ken says in his president's message, the W-S members did a great job in hosting the meet and I want to thank those who stepped in for me when I was out of action for 3 months.

Stu Allen—Editor.

**JUNE MEETING:** Sunday, June 21, 2 PM, Business Meeting at [Stella, Bella and Lucy's](#), 327 W. Main St., Waynesboro. Program on a 2014 trip to France/Normandy/D-Day Sites - Bob & Robbie Kuykendall.

## **PRESIDENT'S MESSAGE**

I am thrilled to report that the 2015 62<sup>nd</sup> ODMA Meet is now in the history books. I feel the overall Meet was a great success. So many members put forth so much effort and hard work to make this happen. There were so many members involved there is no way that I could name everyone without missing someone. However there are 2 individuals that I feel should be recognized. They are Robbie Gray and Bob Ridle. The work they performed enabled this meet to be the success it was.

Were there things that we could have done differently knowing what we know now? Absolutely, it would have made it run more smoothly and easier on everyone but I don't believe it would have changed the final outcome to everyone in attendance. With that being said, I still want to thank everyone for their dedication, hard work and enthusiasm that was displayed.

With our 65<sup>th</sup> Anniversary Party and hosting the 62<sup>nd</sup> ODMA Meet, our Region has been put to the test, and I think we have passed with flying colors! We did not lose anyone and we worked well as a team.

It appears that all the members who were on our disabled list are now on the mend and will be back with us soon. It is so nice to report this versus having everyone being listed with having health issues.

Alfred Meyer will not let us rest on our laurels as he has numerous events planned for the Region the rest of this year. If you can't make the monthly meetings to offer your assistance in these events, please at least keep track of them in Tire Tracks and our website and come when you can. Our next meeting will be on Sunday, June 21 at Stella, Bella and Lucy's in Waynesboro at 2:00 PM.

Shirley's and my next big adventure will be attending the 80<sup>th</sup> AACA Anniversary Meet and Celebration in Louisville, Kentucky on July 16-18. We will be towing our 63 Chevrolet Wagon to show at this Meet for a Repeat Preservation Award. We will be joined by Stu and Clarice and Robbie and Susan. I would like to see more Region members partake in this event.

Again, thank you for your support.

Ken Farley

## **Scenes from 2015 ODMA**

## May 17 Meeting at Mrs. Rows

The group really enjoyed the food at Mrs. Rows

Jim Gregory and Ken Farley presented slides from their 2013 trip to Tacoma, Washington and Alaska where they toured some great antique car museums. Here are some pictures they took on the trip.

## America's Car Museum Tacoma, WA

The museum hosts over 500 cars, many from the LeMay collection

## LeMay Collection Tacoma WA

The LeMay family has retained many cars from their collection and has over 500 on display.

## Fountainhead Museum Fairbanks Alaska

Features over 85 cars in pristine condition. Many from the Harrah's collection

Jim and Sue Gregory with fond memories of Alaska

Waynesboro-Staunton Region sponsored the 2015 ODMA meet at the Augusta County Government Center. The host hotel was the Staunton Holiday Inn and Conference Center. We were blessed with great weather and some 87 beautiful cars. Chief Judge Ken Farley supported by 40 judges finished judging in record time and our Judges Administration crew led by Sandy Hall quickly processed the results. Our caterer ran into some delays so we presented the awards prior to our buffet. Richmond Region took home the Edgar Rohr Trophy for the largest percentage of members attending and Tidewater Region won the Old Dominion Trophy based on points accumulated for awards earned and member participation.

The hospitality room at the Holiday inn was set up by Sue Gregory and Marilou Redmond

Registration packets were handed out by Janet Meyer and Rebecca Perrin

Jim Gregory led the showfield parking crew

Bob Ridle handled the announcements and music in addition to managing our data base for the meet.

Prepping a car for the meet requires a worker and a supervisor. How's this for a father and son activity?

One of the best parts of attending an ODMA meet is the chance to meet with old friends, some that you haven't seen since last year.

## BEST OF SHOW

Tommy Nolen from Richmond Region won "Best of Show" along with his ODMA First Junior award for this beautiful 1961 Pontiac Catalina

The oldest car at the show was the 1906 Wayne owned by Jeff Brown, son of the founder of our W-S Region John Brown

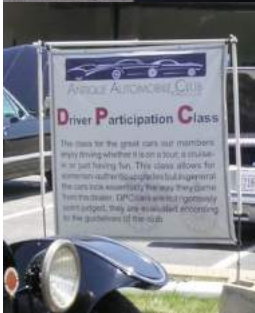

Station wagons are becoming very popular. This great '63 Chevy wagon is owned by Ken & Shirley Farley

The "Best Representation of DPC" award went to Sandy Rucker with her 1966 Mustang

The "Best Representation of HPOF" award was won by Reggie Nash for his 1909 Rambler

Our closing awards ceremony and buffet was attended by nearly 100 members. MC Bob Ridle and Awards Chairman Richard Hall efficiently handled awards that were presented by Chief Judge Ken Farley

**BETSY—THE LONG-TERM RESTORATION****Restoration of a 1934 Chevrolet Master****By Stu Allen****Part 16 –Installing Exterior Trim**

It was finally time to install the fenders that had been finished back in 2011.

Fender welting is installed between the fenders and radiator surround.

The fenders are then bolted in place while being careful to prevent paint damage.

The car takes shape after the front fenders are in place.

The headlights are mounted on tie bars between the fender and radiator surround.

Once the front bumper is in place it starts to look like a real car.

Rear bumper in place after Jim Gregory helped me reshape the support brackets to fit.

I decided that the wheels, originally finished in 1982, were showing some chips and needed to be repainted. Masking the tires was the toughest part of this job.

The rear mounted spare bolts to a bracket tucked inside the rear bumper.

Adding the locking hubcap gives the rear of the car the finished look.

### **May 17 Waynesboro-Staunton Region Meeting Minutes**

The May meeting of the  
Waynesboro/Staunton Region of  
the AACA was held at Mrs. Rowe's  
at 2 pm on Sunday the 17<sup>th</sup>.  
President Ken Farley opened the  
meeting and welcomed all present.  
Nelson Driver gave the blessing.  
After the meal, Ken made some  
brief remarks about the 65<sup>th</sup>  
anniversary party and thanked the  
Rimel's for use of the Barn.

Mary Helen Ayers gave the  
sunshine report that Joetta Weller  
was in the hospital, Billy Melton  
was doing well after hip  
replacement, and Vince Ennis is  
fine after a fall.

The Secretary's minutes were  
approved as printed in the Tire  
Tracks.

Jack Drago gave the Treasurer's  
Report which was approved.

The following correspondence was  
received; Thank you notes from  
Don Barlup and Betty Clemmer and  
a note from the AACA about ½  
years dues for \$17.

Mel Redmond reported that 7  
members were at the Waynesboro  
Motorsports Show.

Vice President Alfred Meyer gave  
the activities report which is posted  
on the website and in Tire Tracks.

Billy Melton's motion, that the  
members with forty years of  
continuous membership in the club  
will be exempt from the club's dues  
provided that they continue to pay  
their national dues was discussed.  
This motion is to be posted in the  
Tire Tracks and brought up for a  
vote at the next meeting according  
to the by-laws.

ODMA committee members gave  
their reports on the up-coming  
meet.

Nelson Driver was the 50/50  
winner.

The meeting was adjourned and the  
program on The Harold LeMay Car  
Collection and the Fountainhead  
Collection was given by Ken Farley  
and Jim Gregory

Respectfully submitted,

Robbie Gray, Sec.

### **Kidde Fire Extinguisher Recall**

If you have purchased a Kidde fire  
extinguisher manufactured between  
July 23, 2013 thru October 15, 2014, it  
may be subject to a recall. A faulty  
plastic discharge valve may not allow  
the unit to fully discharge. About 4.6  
million units are involved. For more  
information including the specific  
models and build date codes involved  
see their website at [www.kidde.com](http://www.kidde.com)  
or call 855-283-7991.

Note: Mary Helen Ayers will continue  
to be our Sunshine Reporter. Please  
notify her of any illness, etc. in our  
club.
