## ***TIRE TRACKS THE ELECTRONIC VERSION***

Greetings, Waynesboro—Staunton Region Members & Friends,

Clarice and I were so sorry to miss the 65th. I was about to head for the hospital for testing and had no choice. By all accounts the celebration was a huge success and in this month's "Electronic Version" we'll show more pictures of the event courtesy of Scott Gregory. The people we really owe thanks to for conceiving, planning and pulling off this event are Ken & Shirley Farley. Great job Farleys!

Stu Allen—Editor.

"The Barn" was an ideal location for the celebration. Jim Rimel and family worked long hours getting the facility ready for the 65th.

Social hour gave people a chance to relax with refreshments and view some of the memorabilia from the first 65 years of our Region

The original banner for the Region was on display

## PRESIDENT'S MESSAGE

I would like to thank everyone who worked so hard and all those who attended our 65<sup>th</sup> Anniversary Party to make it such a great success and especially thank Jim Rimel for the use of his "Barn". After our social hour we were treated to a delicious meal prepared by Patsy Wood Caterers, a short meeting and then we were entertained by the Boogie Kings. The caterers left us 5 or 6 large trays of leftover food that Bob and Charlotte Kuykendall so graciously took to the Valley Mission in Staunton.

Our Honorary Guest Speaker, Don Barlup, President of the AACOA, along with his wife Carol ended up knowing a lot of our members through touring and they seemed to fit right in. Don's message was that the future of AACOA rests with the membership. He also reiterated the goals of AACOA. He presented our Region with a plaque honoring our 65 years as an active AACOA Region.

We recognized our Past Region Presidents who were in attendance. I asked all members with 25 or more years membership to please stand. About half in attendance stood. Is that great or what! After reaching the 50 year mark, there were three left standing, Betty Clemmer and Shirley and Paul Wampler who each received an award for being the Region's Most Senior Members in attendance.

The Founders' Day Award I feel caught someone off guard as when she was announced, Sue Gregory could hardly come forward to accept her award. She has done a lot for the Region over the years, thank you so much Sue. The raffle prize was won by the Royer's.

## **PRESIDENT'S MESSAGE—Continued**

Unfortunately, the Allen's could not make the party due to Stu's return to UVA to have more tests run due to his persistent fever. Both Stu and Clarice had put a lot of time and work into the party's preparations and both of you were in our thoughts.

Our next big event is right around the corner, the 62<sup>nd</sup> ODMA Meet. Nelson Driver and all his committees are hard at work getting the sites all set up and ready. Robbie Gray and Bob Riddle are getting all the registrations into the computer and will give to yours truly, the Chief Judge, so that the final touches can be put together. We will need all our members to make this meet a success so please do what you can.

Our next general meeting will be at Mrs. Rowe's in Staunton on Sunday, May 17, at 2:00 PM. This will be our final time to discuss and get ready for the May 22/23 ODMA Meet. Vice President Alfred Meyer has a long list of upcoming events to discuss along with his report on the Publicity Committee. Jim Gregory and I will present pictures of vehicles from the Lemay and Fountainhead collections.

In closing, I am humbled and honored to serve as your President especially after going through all of our great scrapbooks. We are such a dedicated Region with a remarkable history. I would also like to add this quote, "Be mindful that happiness isn't based on possessions, power, or prestige, but on relationships with people we like, respect, and enjoy spending time with."

Again, thank you for your support.

Ken Farley

Every celebration deserves a special cake!

Last years Founders Award Winner Ronnie Shanholtzer receives his Jefferson Cup as a keepsake.

The Boogie Kings provided a great variety of music selections honoring the occasion.

**BETSY—THE LONG-TERM RESTORATION****Restoration of a 1934 Chevrolet Master****By Stu Allen****Part 15 -Time to Install Upholstery**

Since no reproduction floor mats were available, I found some ribbed rubber material with a similar pattern and using the original remnants as a template, cut a new mat and installed it over the wooden floor.

I brought the front seats back from the upholstery shop so that I could drive the car to the shop for installation of the remaining rear seat, etc.

The car came back from the shop with the rear seat, side panels, arm rests, headliner, door panels and kick panels completed, ready for the final interior trim.

I then installed the window garnish moldings, door handles and window cranks.

Next came installation of the rear carpet that extends under the front bucket seats. The metal plates protect the carpet when the driver seat slides back and forth when adjusted.

Installation of the repro sill plates provided a finished edge protecting the carpet.

The dome light switch was installed along with the repro assist strap. The strap helps rear seat passengers exit through the front door once the passenger seat is tilted forward.

I then installed the sun visor after carefully locating the hardware mounting hole locations. It was nerve wracking poking holes in the brand new headliner.

The repro rear window shade was installed completing the interior.
