RAMBLINGS FROM THE PRESIDENT

Weight loss goal: To be able to clip my toenails and breathe at the same time.

POLYDACTYL: Let me start by saying that I will not disparage the individual in this story, but merely taking note that he broached the subject in public.

In the way back machine of the chicken fry at Tinkling Spring Church in September, as the bidding members were paying off their bids, a person that must remain non identifiable in order to protect his identity, I decided to pull a name from the phone book and I'll call him Larry Skillman. He approached the table to give his pittance to Todd Smith. Since Todd didn't have a calculator, Larry started by counting with his fingers, then, WHOA!, removed his shoes and added up on his toes, all TWELVE of them, what he owed the club. (photos don't lie) And here I thought that cats were the only ones with multiple digits on their feet. Suddenly approaching the table, was his wife, (I'll name her Debra) and chuckling, she said, "He's different, don't you think?" (she lives with him, I don't) "Did you know he's also double jointed and you should see him use those things to scratch his back." The things that I live for. I shudder to think of what else he may be hiding under his clothing. (and NO, I'm not interested) I suppose at the very least it gives me something to write about. There are evan even some folks out there that wonder about the veracity of my stories.

Are you reading this Bob Kuykendall? Karen and I went to the Ming Garden in Waynesboro for our monthly gorge. (I ate only 2 platters of Three Squeak Mice) Got my fortune cookie for being such a glutton and it read: "Be kind to others, even when it's not easy." Karen said, "WOW, your reputation really has spread far and beyond".

Our meeting at Panera Bread on the 18th was yet another eye popper when Duane Perrin was talking to Todd Smith and related that he was going to sell all his cars and give the money to "some Bimbo"! Across the room came the voice from Debra Skillman, "Here I am"! Steve Ayers came in at 3PM and apologized for being late as he thought the meeting was being held in Winchester. Left his wife up there in case we showed up.

NEXT MONTH IS THE FINAL DATE for giving your menu selection and payment for the club Christmas Party at Tinkling Spring on December 19th at 1PM. We've got 18 signed up so far. November's meeting is when we also show support and vote for our new club officers. Thanks for coming out.

Hershey Meet Oct. 06-09, 2026

Great weather was enjoyed at this year's Hershey Fall Meet. Our gang was set up in our normal spots (C4O 40-50). Your editor started selling his sign collection and sales were brisk.

The Car Corral is always popular but sales were apparently softer this year.

Remnants of the sign collection after 2 days of sales.

Nelson Driver and Bobby Gordon and your editor were the W-S members set up this year. We surely miss Jim Gregory!

October 18 W-S Meeting at Panera Bread in Waynesboro

Panera Bread in Waynesboro is always a popular meeting spot. They provide a private room and excellent service. The food is always top notch also.
