TIRE TRACKS ***THE ELECTRONIC VERSION***

Greetings Members and friends. This month we have included applications for three of the upcoming shows:

- ♦ The 39th Piedmont Region AACA Car Show is scheduled for Sunday April 28, 2013 behind Sam's Club, Route 29 North, Charlottesville. This is always a good show and we'll get a group together from Waynesboro-Staunton Region to convoy up together.
- ♦ The 2013 Waynsboro Motorsports Show will be held on Saturday, May 11, 2013 at Constitution Park in downtown Waynesboro.
- ♦ The 1st Annual Vehicle Display at the Woodrow Wilson Rehabilitation Center in Fishersville is scheduled for Saturday May 18. The display will benefit the WWRC Foundation to raise money to support the Driving Program for people with disabilities at the Center. Besides the W-S Region, the Corvair, Corvette, Model A and Mustang clubs will be participating, so let's make sure we have a good turnout.

PRESIDENT'S MESSAGE

Even though it was snowing at our meeting on March 17, many members came to the Wood Grill for an afternoon of good food and fellowship. Jorgen Vik from the Charlottesville office of Merrill Lynch gave an informative and entertaining talk on investments. Some members including Sue Gregory and Shirley Wampler received coffee mugs and candy for making excellent comments or asking excellent questions. Way to go, ladies.

According to the calendar, spring has sprung! As soon as it stops snowing, we can get our antique vehicles out of the barn, dusted off, serviced, and on the road. On Sunday, April 21, all roads lead to Pano's Restaurant on Route 11 just south of Harrisonburg for the Founders' Day dinner meeting of the Waynesboro-Staunton Region. Since 1987, we have been holding Founders' Day dinner meetings in April; a tradition started by founding member John Brown. Last year Ken Farley received the Founders' Day Award; Ken is chairman of the committee to select this year's recipient. The recipient must meet two of the following three criteria: Support the by-laws and goals of the National AACA; actively support and participate in local club activities; or collect and preserve antique vehicles.

The silver bowl that we have awarded for the past 26 years is filled with names so the bowl is being mounted on top of a wooden base. Beginning this year, the name of the recipient will be engraved on a plaque on the wooden base. Wonder who will take the bowl home this year?

We have planned several other events for Founders' Day that we hope you will participate in:

(1) Wear some vintage clothing if you can—wear just one item or an entire outfit. (2) Drive an antique vehicle—someone will go home with the distinction of receiving the “Pano's Choice Award.”

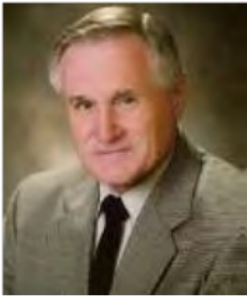

Please park your antique vehicle in the lot on the north side of the restaurant where all antiques will be parked together. You are encouraged to wear some vintage clothing and drive an antique vehicle but don't feel obligated to do so. Drive a modern iron and wear contemporary clothing if you prefer. There will be a few more surprises at our April meeting so come and join the fun. I'm looking forward to our April Founders' Day meeting, and I hope you are too! Bring a friend.

Have you registered for the Old Dominion Meet to be held at the Hospitality House and Conference Center in Fredericksburg on Friday and Saturday, May 3-4? The deadline for registration is April 4 so get the Registration Form (found in the March newsletter) in the mail NOW. John and I will be there from Friday afternoon until Sunday morning and would love to have you join us. A group will be leaving from Waynesboro early Saturday morning; the meeting time and place will be announced at our April meeting. If everyone participates, we might bring home the Old Dominion Trophy again.

Enjoying Our Hobby!

**By Hulon C. McCraw
VP Class Judging**

When the antique automobile hobby comes up in conversation, what's the first thing that comes to mind? I'll bet the first thing that popped into your mind when you read the first sentence was an antique car show. Was I close? Probably, except for the touring population in our hobby and I feel sure your first thought was touring. Probably close again. However, the roots of our hobby reach farther than those two ways. Several ways available that you may not have thought of as enjoyment, really can be. Let's look at them.

Research. Before starting the restoration on your dream vehicle you should do the research, becoming knowledgeable of the authenticity to which you are restoring, too.

Restoration. While most of us may not have the expertise to do the entire restoration, we do aspire to do as much of it as possible. Call it bragging rights if you care.

Showing. Needless to say there is no shortage across America. Local shows are in most communities every weekend sponsored by our Region/Chapters. National Meets sanctioned by AACA in each Division across the United States allow our members to renew and make new friendships while making memories for life.

Touring. A popular way members enjoy their dream vehicle. They were built to drive and enjoy and there are those that do just that. I have heard them say, "You won't catch my car on a show field." The same can be said for the avid vehicle shower.

Maintenance. All mechanical machines need it. From oil change to greasing, tuning up and of course pampering with wax and cloth. Rubbing on them becomes an addiction.

Recruitment. Aw, here's one I bet you hadn't thought of. Your membership proves you are proud to be associated with the world's oldest and largest antique automobile club. Recruiting new members should be an easy task; sharing your experiences and enthusiasm for the club would excite potential members into joining.

Committee Member. This allows members to become involved in the decision-making process that keeps our club moving forward. Committees meet periodically, either at National meets, tours or by conference calls to review suggestions and concerns from the members.

Judging. Another avenue you probably haven't thought about, however, is the simplest and cheapest way for anyone to enjoy our hobby. You don't have to own an antique vehicle to become a judge. You only have to have love for them and the ability to view (judge) antique vehicles in a fair, honest and common sense manner, the way you would want your vehicle judged if you had one in the show.

Needless to say, I'm sure you can think of more now that I have aroused your interest and thought processes. Looking at the eight listed, is one any more important than another? No, in my opinion. All eight are bound together with one common thread, the love of the hobby. Now do some self-analysis. Where could you best serve to fulfill your desire to contribute to the future of AACA and our hobby? Success comes when a give-and-take attitude prevails. Everyone is a WINNER! Think about it! What club could you be involved in that pays the dividends AACA does? Friends, fellowships and memories made for a lifetime. No doubt a journey from coast to coast could be made and you would never have to spend a night in a motel.

Paul and Shirley Wampler welcome new member Kelly Chapman to our meeting.

Jim and Sue Gregory, Susan Gray, Ed and Bernice Lyman and Joe Yancey chat prior to the meal.

Karen Drago, Dolly and Owen Harner, and Shirley Farley discuss what's next on the program.

Past President Bob Ridle should be wary when the conversation with Ken Farley starts with "Boy, do I have a deal for you!"

Larry & Susan Huffman brought their grandson Josh Payne who clearly enjoyed the desserts at Wood Grill!

We won't tell how many trips he made to the dessert bar.

Our guest speaker for the meeting was Jorgen Vik from Merrill Lynch. He gave an entertaining and informative talk on *"The 10 Things Your Broker Won't Tell You"*

The Secretary's Report was corrected
to reflect the change in today's
program and the dates of the ODMA
to May 3 & 4. The corrections were
approved.

Doris reported there were still 2
complimentary AACA memberships
for 2013 available.

Vice President Jack Drago gave the
activities report (see list in the Tire
Tracks or on the website). The next
meeting, April 21, will be held at
Pano's in Harrisonburg at 2 pm. The
menu for the meal will be printed in
the Tire Tracks. Members were asked
to wear vintage clothes of the era of
their cars, if possible. Doris and John
will set up a special parking area for
our old cars. Jack reported the visit to
Stuarts Draft Retirement Home will be
on June 14th.
