## ***TIRE TRACKS    THE ELECTRONIC VERSION***

Greetings, Waynesboro—Staunton Region Members & Friends,

We're well into summer so let's hope we enjoy good weather for all the upcoming activities. With ODMA behind us, it's time to focus on getting those old cars out and participating in a lot of the events shown in our busy Calendar of Events (Page 5). If your old car isn't up to making a tour, don't be afraid to drive your "modern". We have seen cases where a modern on the tour was a hero since they were able to go pick up a much-needed part for one of the old cars.

In the August issue of Tire Tracks we will reach the end of my long series on the restoration of "Betsy", my 1934 Chevrolet Master, so I'm giving all of you advance warning that it's your turn to tell us the story of your car starting in our September issue. If your car is a barn find, a family heirloom, or a purchase from Barrett Jackson, we want to hear your story. Don't worry about format or spelling. Your editor (and Spellcheck) will take care of that. Digital pictures are helpful but I can scan most photographs to be used in the article. I learned in doing my series that it was a good way of documenting the entire restoration process and a copy of these articles will be passed on to subsequent owners along with the car. Give me a call with your idea for an article.

Stu Allen—Editor.

## **PRESIDENT'S MESSAGE**

I feel we had a great turnout considering the last minute change in venue for our June meeting at the Thai Restaurant in Staunton. Thanks to Alfred Meyer for making and arranging the change from Waynesboro to Staunton on such short notice. It appears everyone enjoyed the food and the Kuykendall's gave us a great presentation on their recent visit to France at the D-Day site and memorials.

During the meeting Mary Helen Ayers reported that Dolly Harner was having serious issues, please keep her in your prayers. It was announced that in both our Newsletter and Website we will start highlighting the next 2 month's events as well as listing them in the "Calendar of Events" sections. Hopefully more members will now read them. We also unanimously passed Billy Melton's By-Law Motion to defer membership dues on members with 40 or more years of membership in the Region provided that they continue to pay their National dues. From what I observed at the 65<sup>th</sup> Anniversary Party, in a few years we will have quite a few members reaching this plateau.

We have quite a few events coming up this season. On July 11 we will have our annual Region display, luncheon and meeting at Baldwin Park and on July 25 Alfred Meyer and Bob Kuykendall will lead us on a tour to the Edinburg Mill. On September 12 Nelson Driver will lead us on a tour to Somerset Steam & Gas Association, Pasture Party. We also have our joint meeting with Tri-County at Grand Caverns on August 16 and on September 20 our annual Steak Fry and Auction at Coyner Springs Park.

A few of us are planning to attend the AACA 80<sup>th</sup> Anniversary Meet in Louisville, Kentucky and the Glidden Tour in Oklahoma. Shirley and I just received our Glidden Tour acceptance letter. This will be our first Glidden Tour. Going to these events with other Region members helps make them so much more enjoyable. If you can, you should try to join in at some point as you will not regret it.

Again, thank you for your support.

Ken Farley

### **Brightview-Baldwin Park Car Display**

Don't forget to join us at Baldwin Park on July 11. This is a great location for showing our cars, it's free, and our hosts provide us a lunch (indoors this year!). Residents and participants vote on their favorite car and it's a relaxed time to spend with friends in the shade on a July day.

## **June 21 Waynesboro-Staunton Region Meeting**

The June 21 meeting of the Waynesboro-Staunton Region was held at Thai Staunton restaurant. 30 members were present. After our delicious meal and a blessing, president Ken Farley called the meeting to order and thanked all who had participated in the ODMA meet as well as the ice cream social at Stuarts Draft Retirement community.

Mary Helen Ayers in the Sunshine report told us that Dolly Harner is being sent to a cardiologist at UVA so we'll keep her in our prayers.

The Secretaries report from May was approved as printed in Tire Tracks.

Treasurer Jack Drago reported final expenses from the 65th Anniversary as well as the ODMA meet. A small profit from the meet will be shared with ODMA.

Ken told us of some upcoming events around the area that we'll include in our Calendar of Events.

V.P. Alfred Meyer reviewed our activities for the next several months. The next meeting will be at Brightview-Baldwin Park on Saturday July 11 from 10-2. Our lunch will be served in a private room at Baldwin Park rather than outside as in the past. A tour to the Edinburg Mill is planned for Saturday July 25, departing from the Verona Post Office at 9 AM. Activities for August and September are posted on our website as well as in Tire Tracks.

Ken has asked the editor and webmaster to highlight the next month's activities.

A motion was made and unanimously passed to amend the bylaws. The change: **Article VIII-DUES — Addition to Section 1. Region members who have been on the roster for 40 years or more will not be required to pay annual dues as long as they maintain their National Club membership.**

Ken reported that the Grays, Allens and Farleys will be attending the 80th Anniversary Meet in Louisville KY in July.

The 50/50 drawing winner was Alfred Meyer who enjoyed subsequent heckling by the crowd.

An interesting and informative presentation was given by Bob and Robbie Kuykendall on a 2014 trip they made to France, Normandy and D-Day sites.

The meeting was then adjourned.

Submitted by Stu Allen for Robbie Gray, Secretary

### **Kidde Fire Extinguisher Recall**

If you have purchased a Kidde fire extinguisher manufactured between July 23, 2013 thru October 15, 2014, it may be subject to a recall. A faulty plastic discharge valve may not allow the unit to fully discharge. About 4.6 million units are involved. For more information including the specific models and build date codes involved see their website at [www.kidde.com](http://www.kidde.com) or call 855-283-7991.

Note: Mary Helen Ayers will continue to be our Sunshine Reporter. Please notify her of any illness, etc. in our club.
