## **PRESIDENT'S MESSAGE**

I have never seen so many new faces, to me that is, at our Sunday Steak Fry meeting held at Coyner Springs Park except at our 65<sup>th</sup> Anniversary Party. Bruce Elder performed extremely well as our auctioneer as always. I believe he said it was his 22<sup>nd</sup> straight year. I do not believe anyone got any risqué pictures of him this year, so we will just have to be content with the one we took several years ago. Not to worry Bruce, it is in a safe place but seriously, without Bruce it would be a pretty dull event and not a whole lot of profit for the Club. Thanks for a job well done.

I don't know what happened this year, I still took home items but spent less money for a change. There were still a few high rollers though thanks to Billy Melton's great offerings. Jack Drago said we took in just below \$1,000.00. Thanks to everybody who brought all the items and all the purchasing members who took them to a new home. I am sure we will see some of the items at Hershey sitting on someone's table for sale. That is life!

Since our last meeting Shirley and I have been on the move attending 2 National tours, the AACA Glidden and the VCCA 6-cylinder tour. They were both very enjoyable. Both vehicles, 40 Buick and 51 Chevy performed great except on the second day of the Glidden the Buick had to have its voltage regulator replaced and we rode with Robbie and Susan in their Model A on that day. We also had a great time with Robbie and Sue both going and coming to the Glidden. These are the type of adventures that I keep talking about that our club members can participate in.

Our next meeting is at the Thai Staunton Restaurant. The end of the year Region elections of your officers is coming up. All of your current officers, including me, have stated they are willing to serve again next year. But, if anyone wishes to run for an office, please contact Jim Gregory to get your name on the ballot by the next meeting.

Please check the Upcoming Events in this Newsletter and on our Website so you can make your plans accordingly. Hope to see you there and at Hershey, RWC 23-26 at the Chevy tent.

Again, thank you for your support.

Ken Farley

### **IT'S HERSHEY TIME AGAIN!**

It doesn't always rain  
at Hershey

Bring your boots and  
umbrella—Just in  
case!

When you visit Hershey on October 7-10, don't forget to stop at our spots in the Chocolate Field C40 40-50 where you'll find members of the W-S Region buying and selling parts, swapping stories (all true?) or resting up after trekking the fields in search of that illusive part we really need. See you there!

## **Annual Steak Fry and Auction—Sept. 20, 2015**

Coyner Springs Park in Waynesboro was the site of our Annual Steak Fry and Auction. Beautiful weather and a good turnout of members and guests made for a fun day. Larry Skillman provided a large charcoal grill and Jim Gregory, Glen Royer and Ronnie Shanholtzer cooked the steaks. There was plenty of food and great deserts brought by the members. The auction following the meal featured spirited bidding on a wide range of items and resulted in raising \$954.50 for the Region.

The gang gathers with the smell of steaks on the grill

Everyone enjoyed the wide selection of food.

A big hit was the homemade peach ice cream courtesy of Mel & Marilou Redmond

Our auctioneer Bruce Elder sells one of the "treasures" that everyone needs in their collection"

Along with the articles being sold, Bruce regales the members with stories that generate lots of laughter

Alfred & Janet Meyer sell the 50/50 tickets

Look what followed Robbie and Susan Gray home from the Glidden Tour in Oklahoma!

## 2015 Glidden Tour in Oklahoma

The Waynesboro-Staunton Region was well represented on the Glidden Tour this year. Sponsored by the AACA Oakie Region, the group enjoyed a wide variety of activities in the Oklahoma City area. Our members attending included Nelson Driver, Ken & Shirley Farley, Robbie & Susan Gray, Ronnie & Janice Shanholtzer and John & Doris Stone. Comments about the tour: It was hot! We traveled some rough roads! People quickly found out which parts on their cars were loose! Robbie was kind enough to send me some pictures from the tour.

Here is a typical road navigated by our hardy members.

Ken & Shirley in front of the landmark for the famous "Pops" gas station and soda ranch on Route 66

Ronnie & Janice take a break during a warm day at El Reno

John Stone had a personal gas delivery on the tour

A stop "where the buffalo roam"

Several great car collections were visited during the tour

Native dancers entertained at the lunch stop on Thursday

Ken, Shirley & Susan check out Elvis's Cadillac at Graceland, a stop on the way home
