Happy New Year, Waynesboro-Staunton Region members, it's time to reflect on 2018 and get ready for another year of old car activities. Let's reflect on some of the activities from 2018 as we plan the new year's activities.

MUSINGS FROM THE PRESIDENT

And so it was, that on Sunday, December 16, 35 members of the club gathered for some fine vittles and entertainment at Pano's Restaurant. Well thought out gifts were brightly wrapped on the tables ready for the what is called the "Chinese Gift Exchange".

With the incessant ringing of a cow bell, a very brief business meeting was conducted prior to the meal (which as usual was rapidly served by Pano's thorough servers). After the meal, the chaos of the gift opening and swapping began. While I did not personally see any fisticuffs or unruly behavior, it was more than readily apparent that laughter was the rule of the day. This Christmas party was one of the funniest and most entertaining of all the parties that I've attended.

Thanks one and all for the GREAT time. Can't wait to see what type of nonsense 2019 brings.

Jack

Note from Your Editor

As most of you know, Clarice Allen, my wife of nearly 53 years passed away on December 6 at home with our family. She had battled cancer for six years but our struggles ended after a month of Hospice care. She tried to remain active throughout her illness in spite of her condition. Our last big trip together was attending the AACA Eastern Spring Meet in Gettysburg this past July. Her pain has ended and she is in a better place now. She is greatly missed.

Thanks to all of you for the support over the past years and for the cards and calls since her passing. Many Region members attended her memorial service on December 22 and our family truly appreciates your thoughts and prayers.

Stu Allen

Memories

Clarice Allen received the Founders Day Award from our Region in 2011.

Christmas was always a special time when Clarice and club members prepared the table decorations for our party.

W-S 2018 Christmas Party—December 16, 2018

Our Annual Christmas Party was held a week later than planned due to an early snowfall. Fortunately, we were still able to hold it at Pano's in Harrisonburg. Attendance was good, the food was good and as usual, the gift exchange was lively.

Thanks to Scott Gregory for taking pictures.

CLASSIC 1991 Lincoln Towncar for Sale—\$2,500 (or best offer)

Outstanding investment opportunity. Like all antique cars, the value of this car keeps going up each year. Currently the NADA Guidelines has a top value price of this car of about \$8,000. Some sellers on internet are asking as much \$25,000 for Lincoln Towncars from this era.

This car is in excellent mechanical condition. Engine, body, and transmission are in great shape. Runs great. Virginia Inspected. Smooth ride. Clean car. Non-smoker. Car has approximately 102,000 miles. I am the second owner. I have had the car for 15 years. It has proven very reliable for out of state trips.

Car has **new** brakes, air-conditioner, and exhaust. The heater, air conditioner, and cruise control work great. Car has power brakes, power steering, and power windows. Shocks are in excellent condition. I have had the best mechanics in Charlottesville keep this car in top condition.

The reason I am selling this car below market value is because I have two other cars, and I want to simplify my life. I have priced this car fairly. I can provide documents from the mechanic. Other information: this Lincoln could use a paint job (as well as a few other minor adjustments, such as a new headliner).

Please call Tom at 434-882-2216. Serious inquiries only. Will only sell to buyers face-to-face (in person). Need to be paid in cash only. I have all the documents (bill of sale, title, etc.).
